

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

IWAPI, INC.,

No. C 13-80131 RS

Movant/Plaintiff,

v.

ORDER

MSHIFT, INC.,

Respondent/Defendant.

This miscellaneous matter seeks to confirm an arbitration award entered in the International Court of Arbitration. While the pleadings are titled as a “motion” and the docket entry purports to set a briefing schedule, no notice of motion in conformance with Civil Local Rule 7 has been filed, and therefore no motion is presently pending.¹ Upon the filing of any notice of motion setting a hearing date on the Court’s calendar, the briefing schedule set forth in the local rules will apply.

¹ Because the initial papers are prepared and filed prior to the assignment to a particular judge, it is understandable that those papers do not include a notice of motion setting a hearing date and time. Such a notice should be filed, however, once the matter is assigned.
